SiD Payment Flow

Select the SiD Payment method on any website displaying the SiD Secure EFT logo. SiD is available on hundreds of South African e-commerce websites.

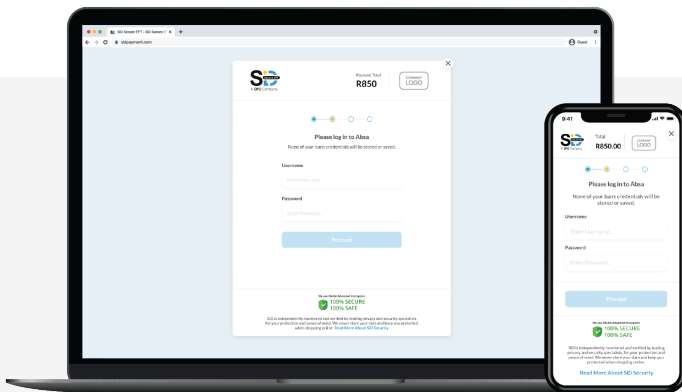

PAYMENT PAGE

Redirected to Payment Page, where you will select SiD as your payment option.

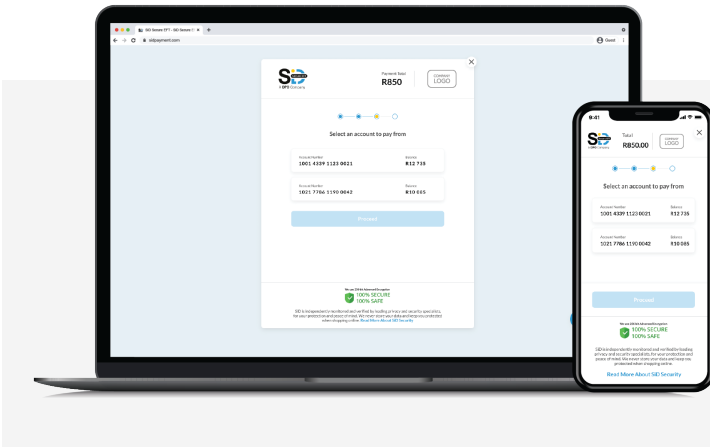

SELECT YOUR BANK

After selecting the SiD payment option on the Merchant's checkout page, you'll be prompted to select your bank.

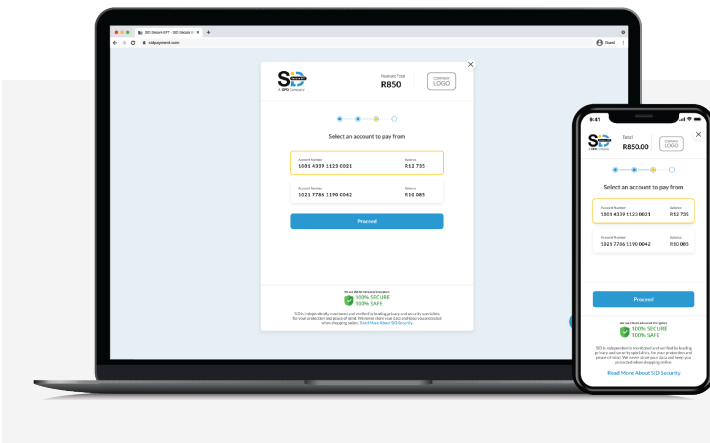

INTERNET BANKING LOGIN

You'll then be prompted to login to your Internet Banking.

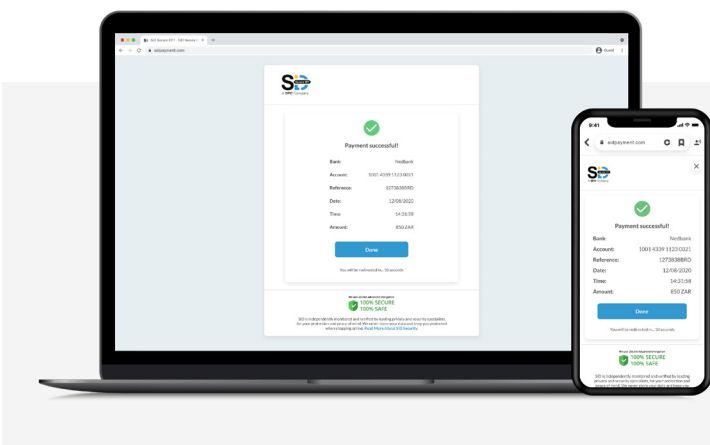

SELECT ACCOUNT

If you have more than one account linked to your Internet Banking profile select the bank account you wish to pay from.

ENTER OTP

To complete the payment, enter the One-Time Pin received from your bank to respond to the push notification received from your banking app.

SiD PAYMENT COMPLETE

Upon completing the payment, SiD directs you directly back to the Merchant's website where an order/booking confirmation can be issued immediately.

Benefits of SiD

For your business

Instant transfer of funds

Zero risk of fraud or chargebacks

No online merchant account required

Excellent payment support

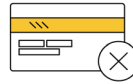

Lower transaction fees

Funds are guaranteed up to R5,000

For your customers

No credit card required

No need to draw on credit (incur) debt

Overcome card payment security concerns

No need to sign up in order to pay with SiD

Pay from any device, using any web browser

Quick and hassle-free payment (unlike manual EFT)
